DRIVING FROM THE NORTH - A 14 FANO SECTION TO BELLAUGELLO

Approx. distance 90km

Exit the Autostrada **A14** at **Fano** and take the **SP3** direction **Roma - Perugia**. After about 65km, the road becomes the **SS 452**. Continue pass by Cagli and continue towards **Gubbio**.

At the roundabout at Gubbio, take the **second exit (straight on)** signposted **Perugia** and continue straight, which will take you round in a curve and onto the Gubbio bypass. Please, don't be tempted to take the right fork as it will take you the long way.

Exit after about 3km for **Perugia**. At the end of the slip-road turn **right** to the **SS 298**. Continue for 10km.

Pass through Cipoletto and Ponte d'Assi and climb out of the valley. You will pass a restaurant, "Il Turista Ristoro". After a further 1km further on up the hill opposite a large stone wall turn **left** to **Valdichiascio**.

In Valdichiascio, stay on the asphalt road downhill for 3km. Pass by a large house on the left, "Il Gabbiano", and a house very close to the road on the right. At the yellow house, take **the left fork**. You'll notice the road becomes a *strada bianca* (a dirt road). After 200m, take the next **left**, a sharp curve, and Bellaugello is the first house on the **right**, in all 4km from the main road. There are signs for Bellaugello in Valdichiascio.
